About US

- Halwani Bros Company is one of the most famous Saudi companies in the field of Manufacture and distribution of food. The company was founded in 1950 in the city of Jeddah (Al Sham lane) as a sample family business. The company started to produce “Halawa Tahinia” and it was the company’s main product. From the beginning, the most things that distinguish the company was high quality and wonderful taste. Halwani Bros is famous for 100% natural products. The company doesn’t use any kind of genetically modified food in addition to high quality, delicious taste and competitive price. For this Halwani Bros earned the trust of Saudi consumers.

Our Story

- Halwani Bros is the pioneer in the world of food production, manufacturing and distribution in the Kingdom of Saudi Arabia. In the last ten years alone, it has accomplished a great deal.
- The most important achievement, besides affiliation with the Dallah Albaraka Group for industrial investment, was the transformation of Halwani Bros activities from straightforward selling to comprehensive marketing and distribution. This has raised net and gross sales, as well as profits, while improving products in terms of packaging and quality.
- Another important accomplishment has been obtaining the internationally recognized ISO 9001 certificate of high quality, in addition to HACCP, the certificate for the systematic management of food safety. Both certificates reflect our hard work and commitment to ensuring the superior quality of our products.
- Halwani Bros has many favorite food brands and offers popular items across a variety of food categories and channels. Whether you're eating out or at home, Halwani Bros offers numerous preferred consumer products.
